

WSC ESSENTIAL is a new and exclusive service from Wight Safety Consultancy. Enabling any business to access the Professional Fire, Health & Safety Services and Advice they need, when they need it – helping to ensure that a business can reflect its commitment and legal obligations to comply with essential fire, health & safety legislation and all for a simple low monthly subscription.

With **WSC ESSENTIAL** you benefit from being able to reflect Wight Safety Consultancy as your competent Health & Safety provider and you gain priority access to our services when you need them. We also ensure that you are being kept up-to-date with fire, health & safety issues; giving you peace of mind that you have Wight Safety Consultancy behind your business to work with you on any aspect of your fire, health & safety requirements.

WSC ESSENTIAL is only available from Wight Safety Consultancy and provides a comprehensive range of benefits, which includes:

DESIGNATED COMPETENCY CERTIFICATE – when you join, we provide you with a Certificate that confirms Wight Safety Consultancy as your competent Health & Safety Advisors for you to display in staff rooms and public areas – giving your staff and customers confirmation of your commitment to their safety.

BULLETIN SERVICE – you receive free regular fire, health & safety updates through our Bulletin Service; keeping you advised of potential fire, health & safety issues, policy and legislative changes which you need to consider.

WSC ESSENTIAL ADVICE LINE - free access to our telephone and e.mail advice service: 8am-5pm Monday to Friday, Excluding Bank Holidays; providing the fire, health & safety advice you need, when you need it.

FIRST-RESPONSE FORMS – when you join, you will receive our **WSC ESSENTIAL WELCOME PACK** containing important First-Response Forms and Documents; helping you to immediately gather the important information needed following an incident.

EMERGENCY HELPLINE – in the unfortunate event of an incident you can access our Emergency Helpline 24x7x365 for immediate advice and support; helping to reduce the potential issues surrounding an incident and delivering an immediate and professional response from Wight Safety Consultancy.

FREE TRAINING WORKSHOP – as a **WSC ESSENTIAL** subscriber you will receive a Free Workshop Voucher worth £49.95, giving you a free place at one of our qualifying Fire, Health & Safety Training Workshops.

PRIORITY SERVICE – your requests and needs are given priority; giving you a more rapid response when you need us.

DIRECT SAVINGS – as a **WSC ESSENTIAL** subscriber you will receive generous discounts of up to 20% on our professional service and training fees.

WSC ESSENTIAL is aimed at all small to medium sized business, irrespective of industry and sector – providing them with a low cost yet comprehensive fire, health and safety service that meets the needs of their business in a way that reflects their commitment and legal obligations to comply with legislation.

WSC ESSENTIAL SUBSCRIPTION

With **WSC ESSENTIAL** there are no nasty surprises and hidden charges. For a low monthly subscription you receive all the benefits of our **WSC ESSENTIAL** service. If you prefer, you can also choose to pay annually. Subscription fees are simply based on the number of employees you have:

- **1-9 employees - only £9.95 per month** or £119.40 per annum
- **10-24 employees – only £14.95 per month** or £179.40 per annum
- **25-49 employees – only £24.95 per month** or £299.40 per annum

Your **WSC ESSENTIAL** subscription is for an initial 12-month term. Following this, the subscription remains in-place, providing the continuity of support a business needs to meet its fire, health & safety obligations but can be cancelled at any time with only a full clear months notice required.

As a **WSC ESSENTIAL** subscriber you also receive generous discounts on any of the additional professional services that you may need. These additional services include:

- Fire, Health & Safety Audits
- Policy Reviews and Revisions
- Hazard and Risk Management Consultancy
- Employee Training Workshops
- Incident Support

With a **WSC ESSENTIAL** subscription these additional services, should you require them, are reduced to only £35 p/hour for remote support and £55 p/hour for onsite support. This represents a discount of over 20% on our normal hourly rates. Our popular training workshops can also be held in your business for up to 6 team members for only £450 per day, which includes Course Materials, Workbook and Certificate on completion.
